Lee Mackson and Michelle Hendler Speak on How COVID-19 Affects the Hospitality Industry

6.4.20

The COVID-19 pandemic has affected industries in various ways. On June 4, Miami partners Lee Mackson and Michelle Hendler discussed the effects of COVID-19 on the hospitality industry in a nationwide webinar titled “Hotels, Restaurants and Bars, Oh My! Welcome to the Other Side of COVID-19,” hosted by Celesq.

Lee and Michelle went into detail of how new laws, rules and regulations impact the way industries conduct their business. They also examined what the various industry players, including lenders, borrowers, landlords and tenants, can expect from their counterparts and from the judicial system. Participants were presented a better understanding of what can be expected as mandated stays are lifted and litigation over defaulted loans and tenancies ensues.
