Stefan Rubin Discusses the Florida Business Corporation Act in CLE Program

12.13.19

Shutts & Bowen LLP Orlando partner Stefan A. Rubin was recently featured as a key member of a speaking panel for an educational program by the Business Law Section of The Florida Bar, titled “The Inc. is Finally Dry: The Update and Modernization of the Florida Business Corporation Act.” The speaking engagement, which took place on two separate days in Tampa and Miami and was also live broadcast via internet, provided attendees with 6.5 hours of continuing legal education credits.

This program provided a comprehensive overview of recent changes made to the Florida Business Corporation Act, Chapter 607 of the Florida Statutes (FBCA) – the most comprehensive revisions to Florida's corporate laws since 1989. It was taught by Stefan and other key members of the drafting committee, who provided insight on why various changes were made and how those changes will affect Florida's corporate law practice going forward. Stefan is a past Chair of the Corporations, Securities and Financial Services Committee of the Business Law Section, and was part of the 5-year task force that reviewed and recommended changes to the FBCA, which became law this summer. The revised act will go into effect on January 1, 2020, and affects every existing and new corporation formed in or doing business in Florida.

Organized in 1970, the Business Law Section of The Florida Bar serves lawyers, as well as the faculty and students of law schools, in the state of Florida. According to the organization, Section members “share a common interest in the laws affecting Florida's businesses, including corporate, contract, bankruptcy, franchise, antitrust, securities, and intellectual property law.”
